

## Fully Renovated Family Guestrooms at Sandos Caracol Eco Resort

July 2018, Playa del Carmen - The third and final stage of room renovations is about to begin at **SANDOS CARACOL ECO RESORT**, offering some excellent news for families visiting our all inclusive resort.

Focused on the Family Section, this third stage will take place from August 6 through December 16, 2018, transforming 136 of our Family Section guestrooms into upgraded categories with even more amenities and services. At the conclusion of this final stage, all guestrooms at Sandos Caracol will be renovated, improving our service to our guests even further.

Through these renovations, all guestrooms in our Family Section will be part of the Signature Eco Collection, which offers a family-friendly atmosphere with contemporary design inspired by the jungles of the Riviera Maya, along with amenities like WiFi in the room, bathrobes and slippers, and 24-hour room service. The Signature Eco Collection features a total of three room categories from which to choose:

**ECO FAMILY SUPERIOR:** This category comes with a King size bed and a bunk bed for two kids, as well as a balcony or private terrace.

**ECO FAMILY SUITE:** Ideal for families who seek even more privacy, these suites have a master bedroom with King size bed, a separate room with bunk bed for three children, a shared bathroom with two showers and two WCs, and best of all... a balcony with a plunge pool for the kids.

**ECO FAMILY PENTHOUSE:** The largest category among our Signature Eco rooms. The master bedroom features a King bed, Bluetooth music network, TV, and master bathroom with double sinks. The second bedroom comes with bunk bed for three kids, TV, sofa, and second full bathroom.

Throughout these renovations, we'll do our best to minimize the visual impact and noise for our guests. Meanwhile, all other hotel services and attractions will not be affected so that our visitors can continue to enjoy their vacations to the fullest.

We thank you for your continued support while we keep working to improve the satisfaction of our mutual guests during their vacations at Sandos.
