How are Certificate of Excellence recipients determined?

To determine Certificate of Excellence recipients, we use a variety of user-generated content. We use an algorithm that primarily takes into account the quality, quantity, and recency of user reviews, as well as the business' tenure on the site. Winners are chosen by Tripadvisor based on the rating of reviews and comments sent by travelers on their website under a 12 month period, on the antiquity of the company

and website popularity ranking. In order to qualify for the Certificate of Excellence, a business must keep an overall score of at least 4 of 5 bubbles in TripAdvisor, a minimum amount of opinions, and be a member of TripAdvisor for at least 12 months.
