

# Sandos Hotels and Resorts in Mexico Recognized and Awarded by WeddingWire Users

**February 3rd, 2021.** Sandos Hotels and Resorts has been awarded the WeddingWire Couples' Choice Awards® 2021, an award given for quality, service, responsiveness, and professionalism perceived by couples, and qualified through the WeddingWire platform, a company with an excellent reputation in the wedding planning industry around the world.

This award is of a unique nature due to the complications and challenges brought about by worldwide restrictions throughout the year and recognizes the wedding service providers who continued to guide and encourage couples through all the uncertainties and challenges brought about by the health contingency.

WeddingWire evaluated the Sandos Hotels and Resorts in Mexico through the reviews of couples who have decided to unite their votes in one of these locations. More than 20 service categories were evaluated in order to find the highest rated by the millions of couples who interact month to month with WeddingWire to plan the wedding they have always dreamed of.

Furthermore, the hotel chain seeks to give confidence to couples who want to unite their lives in a destination such as Cancun, Playa del Carmen or Los Cabos, for which it has launched its campaign #LovelsNotCancelled in order to encourage future spouses to continue with their plans, always with the assurance of a clean and safe stay.

**About WeddingWire**

*WeddingWire is a tool that seeks to make the perfect connection between couples and wedding service providers in their preferred location, which provides the facilities to plan the ceremony successfully.*

**About Sandos Hotels & Resorts**

*Sandos Hotels & Resorts is a young brand that has become a hotel industry leader, striving to offer memorable stays to every one of its guests. Today, the company has a total of nine all-inclusive properties set among the best beach destinations in Spain and Mexico with hotels for families and adults alike in search of an unbeatable vacation getaway.*
