

A New Mini Aqua Park, Bamboo Island, Opens in Sandos Playacar

Playa del Carmen, April 30th, 2021 - To celebrate Children's Day, Sandos Playacar unveiled a new mini aqua park in their resort. Situated in the family room section, Bamboo Island is designed for younger children and boasts 6 small slides ideal for getting out of the heat in a delightful way. This aqua park is the second to open at Sandos Playacar with a larger one located in the family section by the beach alongside an infinity pool, swim-up-bar, and snack bar.

Alongside the inauguration of the new aqua park, families staying at the hotel were able to spend the day with the entertainment team indulging in fun activities, refreshing beverages, and delicious snacks. Sandos Hotels & Resorts is extremely excited to have this new addition to their resort for families from around the world to enjoy during their vacation.
