

Sandos Hotels & Resorts Implements Online Check-In to Speed Up Waiting Times

February 21st, 2023, Playa del Carmen. In order to expedite the hotel registration process, Sandos Hotels & Resorts has implemented online registration (Online Check-in) for its Sandos Playacar property in Playa del Carmen, Mexico, and Sandos Papagayo, in Lanzarote, Spain.

This registry will be available up to seven days before the arrival of the client. It is possible to do it from a mobile phone or any other device from wherever the client is. Upon arrival, clients just simply need to pass for their bracelet and room key.

Online Check-in fortifies Sandos's commitment to its guests so that they can fully enjoy the unique experiences they have to discover at each of the resorts.

The chain also announced that it is already working on versions of this tool for properties in Mexico: Sandos Caracol Eco Resort, located in Playa del Carmen, Sandos Finisterra, located in Los Cabos; and Sandos Cancun, located in the heart of the Cancun Hotel Zone.

The link to access the online registration can be obtained by future guests through the website or in the email they receive before their stay, so they can have it on hand when needed.
