

## **FIRST NOTICE**

## **HURRICANE BERYL WARNING**

**Dear Guest:**

**It is our duty to inform you that the Civil Protection of the State of Quintana Roo has issued a HURRICANE ALERT, Hurricane Beryl is heading towards the Caribbean Sea and it is believed that, if it does not change its course, it could reach our area in a period of approximately 72 hours.**

**We recommend that you approach the Front Desks of the hotel to have updated and detailed information on the evolution of the phenomenon and the course of its trajectory.**

**We thank you in advance for your understanding and patience in this type of fortuitous weather-related situations and remain at your disposal for any need you may have.**

**The next notification will take place as soon as the Civil Protection authorities have it.**

**YOURS SINCERELY,**

**The Management**
